

TREK Zippy

DEVELOPED WITH A FOCUS ON COMFORT, PERFORMANCE AND TOTAL RELIABILITY

COMPACT DESIGN WITH A LONG SERVICE LIFE

A small scooter should not mean compromising comfort and the Zippy does not disappoint in this area. We use puncture resistant pneumatic tires, ensuring a smooth comfortable ride.

When comparing scooters always check the height of the anti-tip wheels as lower height wheels can bottom out when crossing footpaths and in some cases leave you stranded with the drive wheels not in contact with the ground. This is not a problem for the Zippy with it's high ground clearance.

Complies with proposed new Australian standards

Specifications*

Length	1095MM
Width	520MM
Max Load (On Flat Ground)	120KG
Max Speed programmable up to	8KM/H
Travel range up to...	20KM
Tyre Sizes	220MM
Battery	24AH
Charger	2A
Controller PG S-Drive	70A

*subject to change without notice

FEATURES

- * Indicators
- * Dual Mirrors
- * LED Lighting
